Subject: Op 21 - Site Safety Plan

Good Afternoon Unified Command,

I've added addendums to the Site Safety Plan but instead of emailing the whole document(which is of significant size), I've only attached the affected pages for your review and approval.

Please reply to this email so that I can compile all responses if the changes get approved via e-mail.

Please let me know if you have any concerns.

Thank you,

Arturo Loza
